I, the undersigned, X Kenneth, do hereby make the following statement to SERGEANT JUSTIN PATTI, he having first identified himself as a POLICE OFFICER, knowing that I may have an attorney in my behalf present and that I do not have to make any statement nor incriminate myself in any manner. I make this statement voluntarily, of my own free will, knowing that such statement could later be used against me in any court of law, and I declare that this statement is made without any threat, coercion, offer of benefit, favor or offer of favor, leniency or offer of leniency by any person or persons whomsoever.

ON OCT. 3rd at approx 5pm, I called the Berkeley Police Dept for assistance with a loose & vicious pit bull. I observed two children - approx. 3 & 4 yrs respectively - running around my property. I opened my door to inquire and an unleashed grey pit bull charged at me. I closed my door and observed through a window. The two children continued to run around the front, rear, and side of my property - holding a pipe, bat, and other item - appearing to try to corral the pit bull, without success. I again opened my door to determine how to proceed and was again attacked by the pit bull. On both occasions the animal lunged and rammed my glass outer storm door. I called for assistance, the officer arrived I directed him to the source. He attempted to determine level of threat, made verbal command, the dog continued to advance, then charged. The officer fired after the dog advanced @ 10ft in a vicious attack.

I have read this statement consisting of 1 page(s) and the facts contained therein are true and correct.
